RENUMERATION, in its various forms,

GOUT AND NEURALGIA,

STIFFNESS AND NERVous AFFECTIONS,

IMPAIRMENTS OF THE BLOOD,

And the like Effects of Morbidity.

It is a conveniently arranged Hand or Belt, containing a medicated compound, to be worn about the body, about the waist, especially affecting all parts, where the disease may be, and can be worn about the head, neck, &c., &c.

By this treatment, the medicines, properties contained in the BAND, being of a highly aromatic and volatile nature, and capable of being readily absorbed by the skin, come into direct contact with the blood, and generally, in a few moments, passing through the process of digestion, which would tend, not only to distract from theirorative powers, but to impregnate the organs and nerves, so as to remove also—the astringent and purifying effects of the treatment, and effecting a speedy cure, by purifying and equalizing the circulation of the blood, and restoring the parts affected to a healthy condition.

It is the most powerful Anti-Muscular Agent, & will entirely relieve the eye from its previous effects.

Moderate cases are cured in a few days, and we are now in a position to furnish individuals to whom we can give every information, with all necessary directions, from the hands of our Proprietors.
